MARRIED IN HASTE.

William Johnson Quickly Repented of His Marriage.

WORRIED HIMSELF INTO FITS.

Found Unconscious in Passaic's Streets, Two Days After Wedding—Told His Mother He Didn't Know Why He Married.

William Johnson, of this city, who was married at Howells, Tuesday, to Clara Brown of that place, was picked up unconscious in the streets of Passaic, Wednesday. It was at first thought he was drunk, but later it was realized that he was sick and he was taken to the hospital, where it is said he seems to be suffering from nervous prostration. He was unable to give any account of himself.

Johnson is well known in this city. He is subject to fits, which have often seized him in the streets, and which have affected his mind, and all who knew him were surprised when they heard of his marriage.

His mother, Mrs. Melissa Johnson, says that he deeply regretted his marriage and cried like a child when he talked about it, declaring that he did not know how he came to be led into such a thing. He left home Wednesday, and Mrs. Johnson's theory is that worrying over his marriage has brought on an unusually severe attack of fits.

It will be remembered that Johnson has theatrical aspirations, and has attached himself temporarily to various show troups that have visited this city. His latest venture in this line was with Kurtis & Bennett's Uncle Tom's Cabin Company, which he accompanied when it left town, and with which he remained a few days.

Mrs. Johnson, the unfortunate young man's mother went to Passaic, to-day. She was almost in a state of a nervous collapse when she took the train. To an Argus reporter she said the boy was very good to her, always giving her the money he made. She said he had been inveigled into his marriage, she believed, and that she would take steps to have it annulled.

AS SEEN FROM A WAGON.

Through the Country, for Many Miles Roundabout Middletown, by an "Argus" Man.

That the stand of field corn is the rankest growth that ever joyed our farmers eyes and that the crop is so far advanced that the results are insured against every vicissitude short of destroying winds.

That the short hay crop is going to be made up for by phenomenal growth of the forage plants—corn and millet.

That there is every promise of a heavy yield of potatoes to the acreage in seed, but that the acreage planted is not up to the average.

That the apple crop will be one of the lightest in many years. Ditto, pears.

That this year will go on record as the year in which all nut-bearing trees did their very best.

That pasture lands are rich in feed, and that the growth of the aftermath makes the fields appear as they do in fine growing weather in early June.

That, all in all, farmers, in view of the dismal prospect which faced them a month ago, may well rejoice that these things are as they are.

A WEAKNESS FOR WIDOWS.

Especially for the Captivating "Real Widow Brown."

We all have a weakness for widows, especially when they are as captivating as "The Real Widow Brown," who comes to the Casino, August 10th. This amusing play is the latest bid for popular favor from the American public. It is a farce comedy of the most amusing type, replete with bright songs and merry dances, interpreted by some of the best artists in the profession. It possesses a decidedly amusing plot full of absurd complications, and yet withal clean and pure. If you see "The Real Widow Brown" you are bound to laugh. If you don't laugh you've made a mistake, and as a panacea for the blues you should have sought a druggist's prescription and not an orchestra chair.

FIFTEEN COWS BLINDED.

Strange Malady That Has Affected a Quarryville Farmer's Herd.

From the Wantage Recorder.

Recently Wm. Carr, of Quarryville, noticed one of his cows was blind. Soon another followed, and then others,—some young cattle. First a white speck appeared upon the pupil, then spread into a film covering the eye. The young cattle affected were in an isolated field from the cows, and had not been herded with them since last winter. Dr. Gray of Newton, was called and prescribed a wash of a very strong nature, which Mr Carr has used with some benefit, but has not used long enough as yet to effect a radical cure. It is a singular case.

SPENT A PLEASANT EVENING

Capt. Jackson Relief Corps' Basket Picnic at Midway.

The Woman's Relief Corps of Capt. William A. Jackson Post held a basket party at Midway Park, Thursday afternoon, and remained during the evening to see the vaudeville show.

There were about seventy-five well known ladies and gentlemen in the party, and they had a delicious luncheon at 6 30 o'clock. Mrs. Dwight Babcock, who was chairman of the committee of arrangements, was ably assisted, and the tables presented a very appetizing aspect when Mrs. A. E. Ludington extended the invitation to the guests to be seated.

Mrs. W. H. Wood was toastmaster, and she presided admirably. She extended a welcome to the guests, and Commander E. L. Sproat responded in his usual entertaining manner.

Edwin S. Merrill spoke at length on the civil war and the heroes who remain to recall it. He was followed by Dr. E. M. Schultz, who spoke upon the last war, in which he saw service. Others made short addresses and the time passed very pleasantly.

The ladies had provided so generously that there was considerable left, and it was given to the Convalescent Home children.

The crowd returned home on the crowded cars after the show.

SAT ON HORSE'S HEAD.

Prompt and Nervy Action of Warwick Girl in an Emergency.

From the Warwick Dispatch.

Miss Anna Demerest, of this village, enjoys the reputation of being the best horsewoman in town, and last Thursday again proved her title to that proud distinction.

Accompanied by her sister, Miss Julia, and Mrs. Sarah J. Sly, Miss Demerest was driving her spirited horse to the Reformed church picnic at Glenmere Lake. While going down the hill at the O. J. Goble place between Florida and the lake, the breeching strap broke and the horse started to run, whereupon Miss Demerest, who is strong of arm and firm of nerve, jerked him into a ditch, throwing him on his back. Incidentally the wagon was overturned and the three ladies were underneath, with the contents of their baskets, and a mess of feed for the horse scattered over them. But Miss Demerest crawled out of the wreck as spry as a squirrel and promptly sat on the head of the horse and held him down, calling for a man in a field near by to come to their assistance. None of the ladies were injured.

DESTRUCTIVE LIGHTNING.

Several Buildings Struck in Sussex County During Wednesday's Storm.

The lightning which accompanied Wednesday afternoon's storm was very destructive in Sussex county and in Wantage considerable damage was done by hail.

The wagon house of Simon Wilson, near Deckertown, was struck and burned, together with its contents, grain and farming utensils. An ice house adjoining was also burned.

Nelson Ackerson's fine barn near Lafeyatte, which was built only last year was struck and burned, together with its contents, about all the season's crops.

Edward Kincaid's hotel stables at Stockholm were also struck and burned.

Several cows were killed on the William M. Drew farm in Vernon, and a horse belonging to William Jones was killed in a field on the McMahon farm in the Clove.

Jacob Martin's house in Vernon was struck and damaged, but was not set on fire.

Many trees were struck and the roads were very badly washed.

DANCE AT BLOOMINGBURGH.

A Very Pleasant Affair at Schubert's Hotel.

The dance given at Schubert's Hotel, Bloomingburgh, Thursday night, was very largely attended and highly successful. The platform was brilliantly lighted and was crowded during the whole evening. Bright and McWilliams, of this city, furnished excellent music, and the crowd kept up the dance until an early hour, this morning.

Among those who participated were Joseph L. Herschman, Miss Herschman, Joseph Schlartman, M. Dougherty, Jas. Maroney, I. Rosenthal, Miss Chichester, Mrs. Bardon, Mr. and Miss Belletrant, James Henry and Mr. and Mrs. Edward Flood. A number from Middletown were present.

BUSINESS MEN'S ASSOCIATION

Regular Meeting, Thursday Night—Will Hold a Family Clam Bake.

Vice-President John E. Adams presided at the meeting of the Business Men's Association, Thursday night, in the absence of President W. H. Rogers.

The regular business of the association was transacted and then the suggestion that an annual family clam bake be held was brought up by L. Stern, and was received favorably. It was decided that President Rogers should appoint a committee to arrange for such an event.

Grade Crossing to Be Done Away With

As a result of a conference between J. E. Brazee, of the Railroad Commission's Grade Crossing Bureau, and Supervisor Smith, of the town of Warwick, it has been decided to substitute an overhead bridge for the dangerous grade crossing at Stone Bridge. One-third of the cost will be borne by the State, one third by the town and the remaining third by the railroad.

GRAND VOLKS FEST.

To Be Held at Mænnerchor Park on Labor Day.

WILL SURPASS ALL FORMER FESTS

Many Out of Town Socities Invited—Prizes for Contests of Various Kinds—Fine Music to Be a Feature of the Day.

The Germania Mænnerchor met Thursday night and arranged for the grand Volks Fest, which is to be held Labor Day, at Mænnerchor Park. The committeemen in charge of the event are: Louis Kern, Adam Heckroth, Wm. Huff, Henry Thonemann, Otto Heck, Julius Mosher and August Gottwald.

These committeemen are well known as active hustlers and the success of the affair seems assured.

It was decided to do away with the parade of decorated floats and street parade of members and visitors, and instead the programme at Mænnerchor Park will be made especially attractive. The sum of $25 has been set aside especially for prizes in events to be held at the park, in which old and young are to be invited to participate. These contests will include running, jumping and less exerting exercises, while target practice, the most popular game of the German race, will be made a strong feature.

The Ontario and Western band has been secured to give a trolley concert when the decorated cars shall start for the park and also during the afternoon at the park. The crack 24th band orchestra of eight pieces will furnish music for dancing.

The Mænnerchor has issued invitations to the Mænnerchor of Port Jervis and the Mænnerchor and the Turn Verein, of Newburgh. The Klebritz Club, of Paterson, is also coming, a guarantee having been given for 150 dinners at Midway Park on that occasion.

HYMENEAL.

Hulse—Von Kapff.

At Baltimore, Thursday, at 12.30 noon, Frank Van Hulse, formerly of this city, was married to Louise P. Von Kapff. The ceremony occurred at Christ Church, the Rev. M. Leauker Zimmerman officiating.

Mr. Hulse has been a resident of Baltimore for two years or more, with the exception of the time Co. B, 1st Regt of Maryland, of which he is a member, was in the United States service and stationed at Tampa, Florida. He has a good position with the United Electric Light and Power Company. He is the only son of Mrs Lizzie Y. Hulse, of this city.

The bride belongs to one of the old families of Baltimore, and is an accomplished and beautiful woman. She is the eldest daughter of Louise A. and the late Leonard Passano. The mother was a Brooklyn lady prior to her marriage. The bride visited in Middletown last summer.

OFFICIAL CITY PAPER.

FRIDAY, AUG. 4, 1899.

Senator Burrows, of Michigan, has proclaimed that it has become a political necessity for the administration to end the war in the Philippines. He predicts that unless there is a speedy change in conditions there and unless the war speedily ends the outlook for Republican success in next year's election will be "uncertain, to say the least." If McKinley can be made to believe that, every thing possible will be done to end the Philippine muddle, for he'll do for his party's sake, which is after all for his own sake, what he hasn't done for his country's sake.

◆

Zachary Richardson, a seventy-eight year old Clinton county farmer, walked fifteen miles, Thursday, to see President McKinley and appeal to him to stop the useless war in the Philippines. He was not permitted to see the President, but he wasn't discouraged and proposes to "hang around for a week" in the hope of obtaining an audience. Mr Richardson's earnestness and sincerity entitle him to respect, and the President will not be wasting time if he gives this old farmer, a man who "has always been a Republican," a chance to tell him what the plain people of the country think of the war of conquest in the East.

◆

The Mazet committee has brought out the fact that, in the bestowal of business patronage, the Democratic officials in New York city favor Democrats who are loyal to the organization, and the Republican papers are howling as if a new form of political iniquity had been discovered. The plain truth is that this very thing has been done by the Republican party ever since there was a Republican party. Republican national and State administrations have always favored Republicans in the bestowal of contracts and will continue to do so as long as there are contracts to be let or other business favors to be shown. The canal improvement contractors were practically all Republicans, and it was taken as a matter of course that they would be, and they pillaged the State as only Republican contractors, aided by Republican officials, could have done.

◆

The testimony of Charles A. Wieting, State Commissioner of Agriculture before the Assembly committee to investigate the diseases of animals, Wednesday, was of interest because of the frankness with which he admitted the failure of his department to stamp out tuberculosis. He said that there were about 1,100,000 milch cows in the State, and that his department, working with the State Board of Health, was entirely inadequate to cope with tuberculosis. The report for July showed that 107 head of cattle had been inspected, ten of which had been condemned, and thirty six previously condemned had been put to death. Of these, twenty-one were full-blooded or grade Jerseys and fifteen were natives, figures which confirm the belief of many that the Jersey is not hardy enough to withstand the rigors of this climate. The report further showed that since Jan 1, 4,507 head of cattle had been examined, of which 117 were condemned and 111 destroyed.

CO. L'S NEW UNIFORMS.

Newburgh Soldiers' New Fatigue Suits —Middletown Boys' Are Still a-Coming

From the Newburgh Register.

The new fatigue uniforms for Company L (5th Separate Co.), 1st N. Y. Infantry, arrived here from Browning, King & Co. of New York, the contracting tailors, Tuesday. They are of fine texture of goods, neatly made, and the fit is all right. They are exactly like the uniforms of the regular army, the white stripe on the sides of the privates' trousers being left off. A white figure five is left on the collar. The trimmings of the uniform worn by the hospital corps are green. The dress coats will be here later, as will also the caps, the latter being under contract to Kidabock, of New York.

The uniforms will not be worn until Dewey Day (October 2), when the men are to parade in New York city.

The 24th Company has not yet been informed when they will receive their new clothing equipment, for which measures were taken some time ago.

Poor Hay Weather—Flooded Rutgers Valley—Camping Party—Road Making—Might Have Sought Information at Home.

Correspondence of ARGUS and MERCURY

—Fine weather for fall crops, but a trifling discouraging to those farmers who have not finished haying.

—The heavy rainfall, Saturday night, quickly transformed the fertile Rutgers Valley into a vast lake, which surged all day Sunday. It was an unusual occurrence at this season of the year, and much hay and pasture was damaged by inundation.

—William H. Van Gelder is now snugly domiciled on his farm, recently purchased of the heirs of the late Josiah Bennett.

—Our hustling merchant, E. A. Wickham, who has been rusticating during the heated term at his farm near Guinea Hill, was in town, Monday.

—Miss Mary Fraser, of New York city, is visiting relatives and friends in this vicinity.

—Mr. and Mrs. Philip H. DuBois, who have been spending a few days with the latter's parents, Mr. and Mrs. M. E. Lee, returned to their home at New Paltz, Monday.

—The members of the W. W. W. Club, known to local fame as the "Westtown Campers," are enjoying their annual two weeks' outing at Mongaup Lodge, Sullivan county. The party consists of the following members: Dr. and Mrs. Wm Evans, Misses Mary Fraser, Cora Horton, Jane Purdy, Harriet Hirst, the two last named of Middletown, and Messrs. D. C. Evans and George O. Sayer. Next week several others expect to join them.

—Quite recently I noticed in the ARGUS a short article praising Wawayanda's good roads and commending the money tax system which that town adopted two years ago. It is evident that the writer has not made a thorough tour of the town. The system may be all right—time will tell—but good roads cannot be created or maintained by drawing in muck and gutter scrapings by the machine process. In our own town there has been entirely too much of this style of road working and the people are beginning to realize that fact.

—In the *Forum* appeared an article purporting to be a series of pertinent questions concerning the Geo. T. Decker inquest, but evidently nothing less than a scurrilous, if not libelous, attack on certain parties connected with the case. As the article in question bears unmistakably the Unionville trademark, why was it not published in the *Minisink News?* And as to the insinuating query, "Would not a doctor, if he were so disposed, be able to administer drugs to a patient that would prevent him from ever having a clear mind to relate the true cause of his injuries?" perhaps the learned doctor who refused to attend the deceased can answer.

Free Library Entertainment to Be Repeated.

Correspondence of ARGUS and MERCURY

—The entertainment given in Wallace Hall, Pine Bush, Tuesday and Wednesday evenings of this week, was so great a success that it will be repeated Tuesday evening of next week, Aug. 8, to give those who were prevented from attending Wednesday evening by the rain and others an opportunity of enjoying it. The large audience of Tuesday evening pronounced it a most delightful entertainment, a number testifying to its merit by their presence the second evening.

HERE'S WHAT'S WANTED.

A Citizen of Middletown Supplies the Information.

Over half the complaints of mankind originate with the kidneys.

A slight touch of backache at first.

Twinges and shooting pains in the loins follow. They must be checked, they lead to graver complications.

The sufferer seeks relief.

Plasters are tried, and liniments for the back.

So called kidney cures which do not cure.

The long looked for result seems unattainable.

If you suffer, do you want relief?

Follow the plan adopted by this Middletown citizen.

Mr. A. M. Ryerson, professional nurse, living at No. 7 Oak St., says:—"When I rose in the morning my back was always lame. I had to assist myself when moving about by grasping hold of objects for at least an hour or so. When I had one of my bad spells, which generally lasted ten days, I completely gave up. If I caught cold it settled in my back. Often when lifting a patient my back gave out, and I could not walk for an hour afterwards for pain. I tried everything I read about for it, some relieved me for a short time, then back came the old complaint again. As a last resort I procured Doan's Kidney Pills at J. E. Mills's drug store. About the third dose I noticed an improvement, soon the pain left and the urinary trouble was corrected."

OUR CUBAN CRITICS.

Press of the Island Comments on American Rule.

OPPOSED TO NEGRO COLONIZATION.

General Ludlow Prohibits the Carrying of Firearms—National Party of Independence to Organize at an Early Date.

HAVANA, Aug. 4.—El Diario de la Marina publishes a letter which says that the condition of the young Cubans has become very bad. A large number were deprived of their parents by the war and have been left without support or guiding influence. Naturally, in many cases, they fall a prey to vice, as is shown by the very large proportion of young persons who figure as criminals in the police dockets. The writer of the letter suggests the establishment of a home for waifs. This he would have connected with suitable tracts of land, where the children could be brought up out of harm's way and could be taught to till the soil.

The Democracia of Manzanillo says:

"The proposition, emanating from the United States, to bring 3,000,000 negroes for Cuban colonization is beyond all right and reason. Naturally the United States desires to get rid of what is an encumbrance to the country, and it may be that under this pressure there are those who fancy it would be possible to make use of these negroes in 'Americanizing' Cuba. It looks as if the Americans had launched themselves here at a time when the Cubans are exhausted and unable to resist."

El Diario de la Marina, citing these observations, asks Democracia what remedy it has to propose.

The Patria, while rejoicing at the suppression of the Reconcentrado, deplores the fact that any excuse has been given to the intervening government for having recourse to the military law and says that the civil law should be extended to protect individuals against such treatment.

Discussing the question of an American protectorate, the Discusion and the Patria say that Cuba is sufficiently protected by the Monroe doctrine.

General Ludlow, military governor of Havana, has just issued an order prohibiting the carrying of firearms and canceling all existing licenses to carry revolvers.

Surgeon Major Davis has directed that all the decaying wharfs at Casa Blanca be destroyed and that the Cafe Marina, where two cases of yellow fever were discovered, be put into good sanitary condition.

The public grounds adjoining the San Lazaro hospital have been sold at public auction by the authority of Governor General Brooke. They brought $26,000 in gold. The purchaser was Senor Rivero.

La Lucha says:

"A meeting will soon be held here of the elected representatives of the various local committees of the National Party of Independence, at which an endeavor will be made to bring about at the earliest possible date a general representative meeting of all parties like minded in the island. At present the Cuban people lack adequate means of expressing their will. The government secretaries may be said to be mere employees of General Brooke, who has the power to dismiss whom he chooses. In Gomez the Separatist party did have a high representative, but the assembly hurriedly dismissed him. The Cuban National party alone would not be the legal representative of the Cuban people."

Slight Fall Killed Him.

CHICAGO, Aug. 4.—There is grim irony in the death of Robert Hamilton, a Dunning poorhouse inmate, over whose body an inquest has just been held. He was employed in the construction of the Masonic temple, when he slipped one day and fell eight stories to the street. He lived, though badly injured. A short time afterward he went to the Dunning poorhouse. He was employed in drawing bodies to Cavalry cemetery. Returning from the burial ground the wagon gave a lurch in crossing a street car track and the man who had fallen nearly 100 feet and lived fell four feet and broke his neck.

Snow Plow Causes Accident.

SCHENECTADY, N. Y., Aug. 4.—A snow plow was the cause of quite a serious accident in this city yesterday. The plow was part of a west bound freight train, and as it was passing over the State street crossing it picked up a track of the trolley line and after whirling it about lodged it in the wheels in such a manner that it seemed a wreck. Freight traffic was blocked for several hours, but after awhile the snow plow was hauled on the track and the other obstructions were removed.

Lady Randolph Churchill Engaged.

COWES, Aug. 4.—A sensation was caused here yesterday by the announcement of the engagement of Lady Randolph Churchill to Lieutenant G. F. M. Cornwallis-West, son of the famous beauty, Lady Cornwallis-West. It is said that the marriage will occur in October next. Lieutenant Cornwallis-West is tall and good looking and very closely resembles his sister, Princess Henry of Pless. Lady Randolph Churchill and her son, Lieutenant Winston Leonard Spencer Churchill, have apartments at the Marine hotel.

Denver's Mayor Vetoes Sparring Bill

DENVER, Aug. 4.—Mayor Johnson has vetoed the ordinance placing the license for athletic clubs which conduct sparring contests at $1,500. In his message the mayor said: "I am unwilling to approve an ordinance which would make it possible to have repeated in Denver such a brutal contest as was witnessed in this city about one week ago at one of these so called athletic associations." It is not likely that the ordinance can be passed over the veto.

Collision With an Iceberg.

ST. JOHN'S, N. F., Aug. 4.—The French dispatch transport Mancho, which arrived here Wednesday evening, struck an iceberg while off the coast of Labrador and had her bows stove in. She will go into dock here for repairs, which will occupy about four weeks. As the vessel is largely constructed of wood there was no great danger of her sinking although the injuries she received would have sunk an iron ship.

Smiling John Kelly Dead.

NEW YORK, Aug. 4.—John Kelly, usually known as "Smiling John" Kelly, close friend of Richard Croker, well known to Democratic politicians and sporting men all over the country, himself a racing man and politician, died at his home at 252 West Seventy-fifth street yesterday. He had been ill for some months, had traveled in Europe in search of health, but had returned home to face inevitable death.

Osborn Chief Justice at Samoa.

BERLIN, Aug. 4.—A dispatch received yesterday from Apia, Samoa, under date of July 17, confirms the report of the appointment of Mr. Luther W. Osborn, United States consul general at Apia, as acting chief justice and asserts that he was appointed on the proposal of Dr. Solf, president of the municipal council.

Did a Woman Perish?

MIDDLETOWN, N. Y., Aug. 4.—Frank W. Van Tassell of this city has in his possession a silver bracelet of a snake pattern which he claims he found with a piece of charred bone at the Erie wreck near Lackawaxen Sunday. He is convinced from this that a woman perished in the wreck.

A Picture of the Queen.

LONDON, Aug. 4.—The queen will present to the National Portrait gallery Hayter's celebrated picture of her majesty in her coronation robes, which is now at Kensington palace.

FLORIDA TOWN WIPED OUT.

The Recent Storm Was Worse Than at First Reported.

TALLAHASSEE, Fla., Aug. 4.—The first train from Carrabelle, through the storm stricken gulf section, since Monday reached here yesterday afternoon. The crew and passengers agree that the reports of the destruction wrought by the storm have been extremely moderate. Carrabelle is literally wiped from the map. Her docks and wharfs, containing about 400,000 feet of lumber and 5,000 barrels of rosin, were quickly swept away.

Thirteen of the 14 large lumber vessels in the bay were blown ashore and are now lying well up on dry land. These vessels contained several million feet of timber. Their names cannot be ascertained. Only two or three huts are left standing in Carrabelle, and one colored woman is reported to be killed by the falling of a house. Citizens of Carrabelle are flocking in every direction for relief. The town is isolated, and the wires are all down.

The towns of McIntyre and Curtis Mill are completely demolished, and large interests have been destroyed. The coast resorts, St. Teresa and Lanard, are more seriously wrecked than at first reported, and visitors have suffered hardships, although no loss of life is yet known.

Fifteen men seen fishing on an islet called Dog island just before the storm broke cannot be found.

M'KINLEYS TAKE A DRIVE.

Admirer Walks Fifteen Miles to Greet the President—Deer Hunt Probable.

PLATTSBURG, N. Y., Aug. 4.—Mrs. McKinley's health is improving rapidly. Yesterday she went driving twice, the president holding the reins both times over the handsome pair of bays sent over from Burlington, Vt., by Colonel Le Grande B. Cannon for the president and Mrs. McKinley to use while they are here. Their route yesterday was up the Saranac valley, and Mrs. McKinley returned from the drive very much refreshed.

The deer hunting season opens one week from next Tuesday, and President McKinley will have an opportunity of enjoying the sport, as some of the finest hunting ground in the Adirondacks is within a few hours' journey of the Hotel Champlain. The deer are so numerous this year that they are coming out of the woods into the clearings, and they are causing considerable damage to the crops of farmers in this vicinity.

The president had a call from Dr. A. D. Richardson of West Chazy, an old farmer 70 years of age, who walked all the way from his home to the Hotel Champlain, a distance of 15 miles, to "shake hands with the president of the United States." Mr. McKinley greeted him warmly and talked with him several minutes.

Heirs Claim Two City Wards.

ALTOONA, Pa., Aug. 4.—Writs of ejectment were served yesterday by Sheriff Hare on the owners of property at Chestnut avenue and Eleventh street, comprising the site proposed for the federal building. The writs were sued out by the attorneys of the Green heirs, who claim as their property two wards of the city, worth about $4,000,000. The ejectment proceedings instituted yesterday will be followed by similar action against other property holders. The tract affected by the suits includes about 1,000 houses. Many of them are occupied by workingmen who are unable to contest the claims of the Green heirs. Counsel for the Greens have agreed to prosecute only the wealthy residents. The effect of the proceedings will be distressing to the owners of the federal building site, who have been ordered to clear the ground in 60 days.

New Remedy For Tuberculosis.

WASHINGTON, Aug. 4.—A new remedy for tuberculosis developed in France has been reported to the state department by United States Commercial Agent Atwell, at Roubaix. It is a treatment called to the attention of the Academy of Medicine by Dr. Mendel and consists in the daily injection into the bronchial tubes of essence of eucalyptus, thyme and cinnamon, cold in solution in olive oil. The oil in descending slowly comes into contact with the walls of the tube and upper lungs. The gas set free saturates the air in the lungs and acts on the mucous membranes. In 16 cases treated after one or two weeks there was in all a lessening or complete cessation of the cough and expectoration, as well as a return of sleep, appetite and strength.

Two New Cases of Yellow Fever.

SANTIAGO, Cuba, Aug. 4.—Two new cases of yellow fever were officially reported yesterday and one death from the disease. Colonel Moale is expected here on Saturday to begin the payment of the Cuban soldiery in this city. No impatience has been displayed thus far over the necessary delay. The beneficial effect of the payments already made at Guantanamo is shown by the general purchasing of farming implements and clothing. Nearly 8,000 soldiers will be paid here.

A New Way to Commit Suicide.

ST. PAUL, Aug. 4.—A special to The Pioneer Press from Cumberland, Wis., says: "Chris Wold, a farmer near Poskin Lake, this county, committed suicide yesterday by deliberately blowing off his head with dynamite. He placed a quantity in a hole in the ground, laid his head over it and touched off the fuse. Nearby was found a scrap of paper, on which was written, 'Here I go and the Lord go with me.'"

Repairing the Columbia.

NEWPORT, R. I., Aug. 4.—Ralph N. Ellis, chairman of the regatta committee of the Newport Yacht Racing association, says that it is possible Columbia will be ready to race tomorrow, but in case she is not the association will offer a handicap cup to be raced for by the Defender, Vigilant and Navahoe.

A GOOD GREEK DEAD.

M. George Averoff, Who Gave Away Millions.

RESTORED THE STADIUM AT ATHENS

For the Erection of Public Buildings and the Maintenance of Various Charities In Greece He Gave No Less Than $7,500,000.

ALEXANDRIA, Aug. 4.—M. George Averoff, the wealthy Greek whose gift of 1,000,000 francs for the restoration of the Stadium at Athens led to the revival of the Olympic games a few years ago, has just died here in his seventieth year.

The late M. Averoff, who was born in Metzovo, Epirus, was a man of almost innumerable charities. When a lad of 17, he became a clerk in his uncle's firm in Moscow and upon the death of his relative inherited $500,000. This fortune he increased enormously as a contractor for the supplies needed for the Russian troops in the Crimean war and later as a banker in Alexandria. He never married, and it has been understood that his desire was to make the Greek navy his legal heir.

At the outset of the Greco-Turkish war he won the special gratitude of the Greeks by presenting 40,000 uniforms to the Hellenic troops. In the erection of public buildings in Greece and the maintenance of public charities and other philanthropic interests he is said to have expended no less than $7,500,000. It was his generosity which made it possible for the Olympic games to be so successfully revived in Athens in 1896. The games were played in the Stadium, which he rebuilt. The lower part was constructed of marble, but owing to lack of time the upper part was finished in wood and painted white. Subsequently the wooden superstructure was removed and replaced by marble at M. Averoff's expense. On April 5, 1896, the day before the opening of the games, the Duke of Sparta unveiled a statue of the philanthropist, erected by the grateful citizens of Athens. The restoration of the Stadium cost upward of 3,000,000 francs.

In Alexandria M. Averoff built a church, a boys' school and a girls' school called the Parthenagogeion. The teachers in both schools were paid by him. In Athens he endowed and built a boys' reformatory, a military school and a polytechnic college which cost more than $300,000. He was unaffected and unostentatious.

Arthur Denounces Boycott.

CLEVELAND, Aug. 4.—The withdrawal of several companies of troops was followed last night by another dynamiting outrage, but fortunately nobody was hurt. The explosion occurred under a Jennings avenue car, on which there were six passengers. It smashed the flange of one of the wheels and splintered the running board at the side. The passengers were badly frightened, but none were injured, and the car proceeded on its way to the end of the run. Grand Chief P. M. Arthur of the Brotherhood of Locomotive Engineers has been reported to the strikers for riding on Big Consolidated cars in disregard of the boycott. When asked if he patronized the Big Consolidated cars, Chief Arthur replied: "Of course I do. I ride on them every day and whenever I have occasion to do so." "Why do you do it?" he was asked. "Why?" was the reply. "Do you suppose I am going to walk three miles down town when the cars pass my door? Of course I am not. This agitation and the boycott are utterly ridiculous, and the strikers have gone altogether too far."

Steel Exports Decline.

PITTSBURG, Aug. 4.—The falling off of exports of iron and steel for June 1899, forms a remarkable chapter in our commercial history, says The American Manufacturer and Iron World. The sole reason assigned is that the domestic demand was too great and material could not be spared for foreign shipment. Many good orders have been turned down by manufacturers for export, but a large percentage of orders for future delivery will be taken care of. The exports of steel fell off from 43,561 tons, at a value of $872,664, in June, 1898, to 19,506 tons, value $420,000, in June 1899. Billets, ingots and blooms fell off from 4,149 tons, value $78,560, to 1,736 tons, value $44,826, for the same period.

Another Bridge Jumper.

NEW YORK, Aug. 4.—Herman Hauser, treasurer of Herald Square theater, leaped from the Brooklyn bridge shortly before 5 o'clock yesterday afternoon and shot downward into the river. As he struck the water a deckhand on the ferryboat Southampton of the Long Island ferry, which was passing the spot, jumped over the rail and rescued the man. He was unconscious when rescued. He was put aboard the tugboat Moran and brought to the New York shore near the bridge. There he was put into an ambulance and taken to the Gouverneur hospital.

Oatmeal King Married.

AKRON, O., Aug. 4.—The friends of Ferdinand Schumacher, the one time oatmeal king, have received a telegram from him announcing his marriage in San Francisco to Miss Mary Zipperlen, daughter of Dr. Adolph Zipperlen, a resident of Cincinnati. Mr. Schumacher, Miss Dora Schumacher, niece, and Miss Zipperlen have been traveling together in California for several weeks.

Fire In Varnish Works.

PHILADELPHIA, Aug. 4.—While Harry Upjohns, aged 52 years, was stirring boiling varnish in a vat at the Schraks Varnish works, Camden, N. J., yesterday the fluid overflowed and began burning. Upjohns was probably fatally burned, and $25,000 worth of varnish was consumed. The firm carried no insurance.

ON THE TIP OF THE TONGUE

S. W. VanSaun and John W. Wisner, the Warwick boys who started Monday on a canoe voyage down the Wallkill, found water conditions just right, the stream being so high from recent rains that they were borne along on its swift current, and had no difficulty with sand bars, rocks and other obstructions. They launched their craft at Pine Island and made Montgomery that night.

The boys' trip recalls a similar one attempted several years ago by J. W. Gott and R. C. Coleman, of Goshen. They began their voyage when the water in the stream was low, and, after several days of hard work, in which they did very little canoeing, abandoned the voyage, after having only got as far as Galeville, Ulster county, a long ways from the Hudson.

The Genung street cut means that sooner or later Houston avenue, Grant street and other streets in the city will also go under the railroad tracks. The passing of railroads on the grade of streets through municipalities in New York State will soon be a thing of the past. It will cost the municipalities, the State and the railroads a good deal, however, to make this improvement, each paying one-third.

Billy Allison Davis has recovered from his contact with poison ivy, and his face has taken on the satisfied expression which always marks the approach of a masquerade ball or a picnic with "Billy's" name on the bills. He intends to make this picnic, next Tuesday evening, the most enjoyed of the season.

City Editor Brown resumed his duties, this morning, after a few days' confinement to his home as the result of a little bit too much familiarity with a half ton of crushed stone and too little attention to the rear end of a train. In other words, he was hardly off with the old "crush" before he was on with the new. He took in the Asylum—Goshen ball game, Thursday afternoon, and some one in the crowd asked a Middletowner where the man got his face cut. "He was up to the wreck at Lackawaxen" was the answer, and a particularly sharp play caused further explanation to be forgotten, and the word was passed around that one of the victims of the disaster was present, and Mr. Brown attracted more attention than the umpire during the remainder of the afternoon.

Manager Hathaway's Casino announcement was a well-prepared and inviting piece of information. The Casino has been put in first class shape inside and outside, the painting of the entrance a pure white, being especially attractive. The preliminary season opens with a funny comedy, which is played by a New York company previous to opening in New York. Manager Hathaway hopes that there will be a large audience present, and especially solicits the patronage of the county's guests—the "city boarder."

ROOSEVELT CHEERED

Warm Reception For Governor at Ocean Grove.

ADDRESS TO THE SUMMER SCHOOL.

He Talks to Ten Thousand People Upon "Practical Politics and Decent Politics"—Pays a Visit to Vice President Hobart.

OCEAN GROVE, N. J., Aug. 4.—Governor Theodore Roosevelt of New York was the guest of honor at the Ocean Grove Summer school last night, when he delivered an address upon "Practical Politics and Decent Politics" before a large audience. Governor Roosevelt was welcomed as he crossed the line between states to Jersey City by a delegation of prominent citizens in New Jersey. He left New York over the Central Railroad of New Jersey, taking the 4:45 train for Ocean Grove. Among those who greeted him at the Liberty street ferry were Congressman B. F. Howell, A. H. Dehaven of the New York Stock Exchange, H. P. Baldwin, passenger agent of the Central Railroad of New Jersey, and Dr. Jacob E. Price, dean of the Ocean Grove Summer school. The party traveled in the drawing room car Kathleen.

The governor expressed his admiration at the beautiful scenery along the coast, and he remarked the many changes that had occurred since he last traveled over the road 12 years ago. At Red Bank, Elberon, Allenhurst and West End Governor Roosevelt was heartily cheered. On the arrival of the train at Ocean Grove it was found that many holiday seekers from points along the coast had gathered in the vicinity of the station. The train hands assisted the police, but it was with difficulty the governor made his way to his carriage through the cheering crowd.

Governor Roosevelt was deeply impressed with his reception and stood up in the carriage bowing right and left. Mr. A. H. Dehaven rode in the carriage with Governor Roosevelt. One hundred bicyclists bearing small American flags and other emblems acted as a body guard. Governor Roosevelt and his party were driven to the home of A. H. Dehaven, where he was met by Mrs. Dehaven, Mrs. Price and Bishop James N. Fitzgerald, president of the Ocean Grove Summer School of Theology.

Outside of Mr. Dehaven's home a company of boys in Rough Rider uniform was drawn up, and as Governor Roosevelt alighted he was greeted with a roll of drums and the boys presented arms. The incident pleased Governor Roosevelt very much, and on entering the house he hastened to a window and watched the boys form a column of fours and march off. Mr. and Mrs. Dehaven entertained Governor Roosevelt at dinner. The guests were Bishop Fitzgerald, Congressman Howell, Senator Skirm, J. M. Williams, H. P. Baldwin and Dr. J. E. Price and Mrs. Price.

During the dinner a crowd gathered in the vicinity of the Dehaven cottage, and when the governor appeared to go to the Auditorium the crush was still greater. It was estimated that 10,000 people assembled in the Auditorium to hear the orator. The hall was filled, and at the lower windows people stood three deep.

On the arrival of Governor Roosevelt at the Auditorium the large assemblage arose and, led by a choir of 300 voices, sang "Marching Through Georgia." The governor was then greeted with the Chautauqua salute, the waving of handkerchiefs, the cheering being kept up for several minutes.

The audience expressed their appreciation of Governor Roosevelt's address by so much cheering that the governor was compelled to ask them to desist. Every allusion to the Philippines question was the signal for renewed outbursts of cheering. Vice President Hobart was unable to be present owing to ill health, but he sent a letter of regret. At the conclusion of Governor Roosevelt's address the choir and audience closed the services by singing the "Hallelujah Chorus." Immediately after the exercises Governor Roosevelt drove over to Norwood, Vice President Hobart's home, where he spent the night.

Blind Preacher Stricken.

OMAHA, Aug. 4.—At the Epworth assembly at Lincoln park yesterday afternoon, the Rev. W. H. Milburn, the blind chaplain of the United States senate, was prostrated by the heat while in the pulpit. He was talking on the subject "What a Blind Man Saw In Washington," and the big tent was crowded. Some of the auditors noticed that the aged preacher was tottering, and the next instant he swooned in the arms of one of the men on the platform. His extreme age made his friends anxious, but his stout constitution has up to this time apparently been equal to the severe task.

Burton's Courage Failed Him.

DES MOINES, Aug. 4.—The adjutant general is in receipt of Manila advices that Captain A. F. Burton of Company D, Fifty-first regiment, from Villisca, has been suspended for cowardice and is now at Manila awaiting dishonorable discharge. Burton was principal of the schools at Wymore, Neb., when the war broke out, and disappeared, going back to his old home at Vallisca, Ia., and taking the captaincy of the company. He is reported to have deserted his troops in an engagement and hidden in a ditch while the company went into action without him.

Another Protest From the Pope.

LONDON, Aug. 4.—The Rome correspondent of The Daily Telegraph says: "There is good reason for believing that the pope will shortly make another solemn protest against the position of the Vatican in Italy. It will be the most vigorous and carefully worded protest ever issued from the Vatican."

Russian Town Burned.

ST. PETERSBURG, Aug. 4.—The western part of the town of Grodno, capital of the government of the same name, southwest of Vilna, has been destroyed by fire. A temporary military hospital and numerous public and private buildings have been swept away.

NICARAGUAN AFFAIRS.

President Zelaya Referred to the U. S. Treaty In His Annual Message.

WASHINGTON, Aug. 4.—In his message to the Nicaraguan congress Wednesday President Zelaya referred to a treaty made with the United States of date April 29 last. It is learned upon inquiry at the state department that this was merely an agreement entered into between Minister Merry and the Nicaraguan government by which the $9,000 in duties collected from the American merchants in Bluefields against their protest by General Torres was placed in the hands of the British consul at Bluefields pending an agreement as to its disposition. Up to this moment the two governments are still in negotiation on this subject.

Senor Corea, minister from Nicaragua, has returned to Washington after a two months' visit home, during which he conferred with President Zelaya concerning the Bluefields affair and also the Nicaragua canal question. During his visit the Nicaraguan government honored M. Corea by appointing him minister to Chile. As he had numerous private interests in Washington the appointment was finally changed so as to make him minister at Washington instead of charge d'affaires.

New Whitelead Company.

PITTSBURG, Aug. 4.—A corporation to compete with the National Lead and Oil company, commonly called the Whitelead trust, has been organized by Pittsburg capitalists under the name of the Davis Lead company. Its capital is $400,000, and it is proposed to erect a plant at once in order to share in the boom in the lead business, which is now at its height. A production of 6,000 tons annually is planned.

THE REAL QUESTION.

The real question of disease is "Can I be cured?" If you or anyone dear to you is losing strength and energy and vitality, if you are wise you will not spend much time trying to figure out just what name to call the disease by.

It is almost impossible to draw the line where debility and weakness merge into consumption. Your trouble may not be consumption to-day, but you don't know what it *may become to-morrow.* Hundreds of people have been restored to robust health and condition by Dr. Pierce's marvelous "Golden Medical Discovery" after reputable physicians had pronounced them consumptive beyond hope.

Were they in consumption? You don't know; nobody can ever know; but that is not the question. The important point is that they were hopelessly ill but this matchless "Discovery" restored and saved them.

"I was not able to do hardly any work at all," says Mrs. Jennie Dingman, of Vanburen, Kalkaska Co., Mich., in a most interesting letter to Dr. Pierce. "I had pain in my left side and back, and had headache all the time. I tried your medicine and it helped me. Last spring I had a bad cough; I got so bad I had to be in bed all the time.

"My husband thought I had consumption. He wanted me to get a doctor, but I told him if it was consumption they could not help me. We thought we would try Dr. Pierce's Golden Medical Discovery and before I had taken one bottle the cough was stopped and I have had no more of it returning. Your medicine is the best I have ever taken."

Write to Dr. R. V. Pierce. He will send you good fatherly, professional advice in a plain sealed envelope absolutely free. His thirty years experience as chief consulting physician of the Invalids' Hotel, at Buffalo, N. Y., has made him an expert in chronic diseases.

TOMPKINS'

SUMMER LINEN SALE!

The linen chief is off to gather the big new stocks. He'll pay more here and there—prices are on the up grade—but if you know how troublesome it is to splice out present lots, you would appreciate these summer clearance sales. We lose profits; often more than that, just to completely close out the lots we have. One lot of ten part pieces of Table Linen, some full bleached, others half bleached, was priced at 50 and 59c. These small pieces are now on sale at 39c a yard. One lot of four small piece s of 72 inch half bleached Table Linens that sold for 89c. Because there are only a few small pieces left out they go at 59c a yard. Seventy-two inch pure white Scotch Damask at 75c, the $1 quality.

NAPKINS. Bleached Irish Damask, 22x22, at $1 a dozen, instead of $1.35.

NAPKINS. Full bleached Scotch Damask, extra fine and heavy, at $1.75 instead of $2.50.

TOWELS. Extra fine and heavy wash Huck Towels, hemmed ends, large size, at $1.50 a dozen instead of $2

TOWELS. Scotch Huck, hemmed and washed, 17x35 inch, at $1.19 a dozen instead of $1.65.

TOWELS. Extra heavy and large half bleached, with knotted fringe pure German linen, 18c each instead of 29c.

THESE ARE DAYS TO MAKE BY SPENDING. Carpet store never had as busy a July week as last week. We were selling lace curtains as though October furnishing had begun. This business is something to think over—we are not writing a word of this as brag—we do not brag. We are making the most of conditions that favor users of goods—getting things you need to-day, next week, next fall, at prices that you are sensible to take advantage of. We shall not let the standard of the store sag. But you have had frequent cause to appreciate sags in prices. Sorry we could not wait upon all promptly who came last week, but *THE HALF YEARLY SALES* do bring wonderful throngs. Come this week.

WOMEN'S STOCKINGS. To-day a special selling of seasonable stockings that are worth a third more than they will cost this week. They are German full-fashioned, fine gauge black cotton stockings, with high spliced heels and double soles. Good 35c value—3 PAIRS FOR 75c.

CHILDREN'S STOCKINGS AT HALF. The overstocked owner of these stockings was willing to take half price to close out a lot, so you have only half price to pay this week. They are fine ribbed black cotton stockings, in summer weight, German full fashioned, with double heels, sizes 6 to 8½, at 12½c A PAIR.

UNDERWEAR FOR SUMMER TO CLOSE THIS WEEK. Good luck it is that most of these lots of underwear are reasonably large. But broken lots will be more broken as the hours grow, and this is warning enough that sizes may be missing here and there, but every piece is a bargain.

These in main aisle to left of entrance.

MEN'S RIBBED VESTS, worth 6c each, now 2 for 5c.

WOMEN'S RIBBED VESTS, tape neck, worth 10c., now 5c each.

LADIES' RIBBED COMBINATION SUITS for summer, regularly 50c., now 15c each.

MEN'S BALBRIGGAN UNDERWEAR. A 29c value, now 15c a garment. Many sizes missing here.

MEN'S UNDERWEAR at 35c a garment.

The following sorts that formerly sold for 50 to 65c a garment. Shirts and Drawers, light weight Merino, fancy Balbriggan Shirts and Drawers, in blue, gold and ecru. The season is advancing. Out they go at 35c a garment.

REMNANTS OF WASH GOODS. Hundreds and hundreds of short ends of many sorts of washable dress stuffs have accumulated from the busy season's selling, and this week we have gathered them together on a long counter, in our Domestic Department to the left rear, and shall sell them at a fraction of their worth. There are lengths for shirt waists, skirts, children's dresses, and many pieces contain enough for an entire dress. Some pieces here and there are a trifle mussed and soiled, but they are most strikingly reduced. There are too many pieces to mention of course. Come and see.

A CLEAR UP OF SILK WAISTS. Handsome waists the least bit mussed. Not enough to notice in the face of these price changes. $4 and $5 waists at $2 each. $5 and $6 waists, in plain colored taffeta silk, now reduced to $3 50 each.

PARASOLS AND UMBRELLAS. Parasols for every taste, women's and children's. Handsome umbrellas, too, all at greatly reduced prices.

TOMPKINS' ICE CREAM SODA WATER 4c A GLASS.

$1 SHIRT WAISTS FOR 50c. of madras and percale. Some have tucked fronts, others are trimmed with insertion, all have detachable collars and laundred cuffs.

59 and 75c SHIRT WAISTS AT 35c EACH. In this lot are plain white lawn, white pique, black and plain red lawn.

BLACK DRESS GOODS. An extra black skirt is a welcome addition to any wardrobe; and the material can be had almost for the asking to-day.

Black imported Figured Mohairs 35c instead of 50c a yard.

Black Surah Twilled Serge 75c instead of $1 a yard.

Black French Crepon $1.50 a yard instead of $2.50—4½ yards is enough.

THIN BLOOD

Makes poor nerves, weak muscles and a tired brain. It robs the heart of the strength it needs and causes no end of trouble. Nervousness, loss of flesh, weakness, dizziness, pressure on the brain, palpitation, pain in heart and failing appetite all indicate thin blood. The greatest blood and heart tonic as well as the best and safest is Dr. Miles' New Heart Cure. It restores the lost appetite, increases the red corpuscles in the blood, gives new strength to the heart and feeds the starved nerve cells and muscular tissues.

"Five years ago I suffered from heart trouble which was followed by paralysis of the left side. The pain in my heart was terrible and my brain would first be hot and then cold. I could not lie on my left side and my flesh wasted away. The doctors did not want me on their hands and I began taking Dr. Miles New Heart Cure and Restorative Blood Tonic. I soon began to improve and now I am enjoying excellent health."

THE

NEW YORK WORLD

THRICE-A-WEEK EDITION.

Practically a Daily at the Price of a Weekly.

The striking and important events of the last year have established the overwhelming value of *The Thrice-a-Week World* to every reader. For an almost nominal sum it has kept its subscribers informed of the progress of all our wars, and, moreover, has reported them as promptly and fully as if it were a daily. With our interests still extending throughout the world, with our troops operating in the Philippines, and the great Presidential campaign, too, at hand, its value is further increased.

The motto of *The Thrice-a-Week World* is improvement. It strives each year to be better than it was the year before and public confidence in it is shown by the fact that it now circulates more than twice as many papers every week as any other newspaper, not a daily, published in America.

We offer this unequaled newspaper and THE MERCURY together one year for $2.

The regular subscription price of the two papers is $2.50.

Section 1. Resolved (if the assembly concur), that section ten, article eight, of the constitution be amended so as to read as follows:

Sec. 10. Counties, cities and towns not to give or loan money or credit, limitation of indebtedness. No county, city, town or village shall hereafter give any money or property, or loan its money or credit to or in aid of any individual, association or corporation, or become directly or indirectly the owner of stock in, or bonds of, any association or corporation, nor shall any such county, city, town or village be allowed to incur any indebtedness except for county, city, town or village purposes. This section shall not prevent such county, city, town or village from making such provision for the aid or support of its poor as may be authorized by law. No county or city shall be allowed to become indebted for any purpose or in any manner to an amount which, including existing indebtedness, shall exceed ten per centum of the assessed valuation of the real estate of such county or city subject to taxation, as it appeared by the assessment-rolls of said county or city on the last assessment for state or county taxes prior to the incurring of such indebtedness; and all indebtedness in excess of such limitation, except such as may now exist, shall be absolutely void, except as herein otherwise provided. No county or city whose present indebtedness exceeds ten per centum of the assessed valuation of its real estate, subject to taxation shall be allowed to become indebted in any further amount until such indebtedness shall be reduced within such limit. This section shall not be construed to prevent the issuing of certificates of indebtedness or revenue bonds issued in anticipation of the collection of taxes for amounts actually contained, or to be contained in the taxes for the year when such certificates or revenue bonds are issued and payable out of such taxes. Nor shall this section be construed to prevent the issue of bonds to provide for the supply of water; but the term of the bonds issued to provide the supply of water shall not exceed twenty years and a sinking fund shall be created on the issuing of the said bonds for their redemption, by raising annually a sum which will produce an amount equal to the sum of the principal and interest of said bonds at their maturity. All certificates of indebtedness or revenue bonds issued in anticipation of the collection of taxes, which are not retired within five years after their date of issue, and bonds issued to provide for the supply of water, and any debt hereafter incurred by any portion or part of a city, if there shall be any such debt, shall be included in ascertaining the power of the city to become otherwise indebted. Whenever the boundaries of any city are the same as those of a county, or when any city shall include within its boundaries more than one county, the power of any county wholly included within such city to become indebted shall cease, but the debt of the county, heretofore existing shall not, for the purposes of this section, be reckoned as a part of the city debt. The amount hereafter to be raised by tax for county or city purposes, in any county containing a city of over one hundred thousand inhabitants, or any such city of this state, in addition to providing for the principal and interest of existing debt, shall not in the aggregate exceed in any one year two per centum of the assessed valuation of the real and personal estate of such county or city, to be ascertained as prescribed in this section in respect to county or city debt.

Sec. 2. Resolved, (if the assembly concur), that the foregoing amendment be submitted to the people for approval at the next general election in accordance with the provisions of the election law.

AMENDMENT NUMBER THREE.
Concurrent Resolution of the Senate and Assembly.

Proposing an amendment to section two of article six of the constitution, relating to temporary designations by the governor of justices to the appellate division.

Whereas, the legislature at its regular session in eighteen hundred and ninety-eight duly adopted resolutions providing for an amendment to the constitution, relating to temporary designations by the governor, of justices to the appellate division; and which resolution was referred to the legislature to be chosen at the next general election of senators, and directed to be published in accordance with section one of article fourteen of the constitution; and

Whereas, such resolutions have been duly published in accordance with law and the constitution and referred to this legislature for action; therefore

Section 1. Resolved (if the assembly concur), that section two of article six of the constitution be amended so as to read as follows:

Sec. 2. The legislature shall divide the state into four judicial departments. The first department shall consist of the county of New York; the others shall be bounded by county lines, and be compact and equal in population as nearly as may be. Once every ten years the legislature may alter the judicial departments, but without increasing the number thereof. There shall be an appellate division of the supreme court, consisting of seven justices in the first department, and of five justices in each of the other departments. In each department four shall constitute a quorum, and the concurrence of three shall be necessary to a decision. No more than five justices shall sit in any case. From all the justices elected to the supreme court the governor shall designate those who shall constitute the appellate division in each department; and he shall designate the presiding justice thereof, who shall act as such during his term of office, and shall be a resident of the department. The other justices shall be designated for terms of five years or the unexpired portions of their respective terms of office, if less than five years. From time to time as the terms of such designations expire, or vacancies occur, he shall make new designations. A majority of the justices so designated to sit in the appellate division in each department shall be residents of the department. He may also make temporary designations in case of the absence or inability to act of any justice in the appellate division, or in case the presiding justice of any appellate division shall certify to him that one or more additional justices are needed for the speedy disposition of the business before it. Whenever the appellate division in any department shall be unable to dispose of its business within a reasonable time, a majority of the presiding justices of the several departments at a meeting called by the presiding justice of the department in arrears may transfer any pending appeals from such department to any other department for hearing ad determination. No justice of the appellate division shall exercise any of the powers of a justice of the supreme court, other than those of a justice out of court, and those pertaining to the appellate division or to the hearing and decision of motions submitted by consent of counsel. From and after the last day of December, eighteen hundred and ninety-five, the appellate division shall have the jurisdiction now exercised by the supreme court at its general terms and by the general terms of the court of common pleas for the city and county of New York, the superior court of the city of New York, the superior court of Buffalo and the city of Brooklyn, and such additional jurisdiction as may be conferred by the legislature. It shall have power to appoint and remove a reporter. The justices of the appellate division in each department shall have power to fix the times and places for holding special and trial terms therein, and to assign the justices in the departments to hold such terms; or to make rules therefor.
